MR. BOONE: Let me make that --
20
              I don't know how many more
21
              insurance questions, but
22
              that's clearly irrelevant
              and not pertinent to a
23
0078
             death case in Alabama which
1
2
             is purely punitive. But
3
             I'll allow the questions to
             continue, but it's not
4
             discoverable evidence in
5
6
             this case but definitely
7
             not admissible evidence in
8
             this case. But I'll let
9
             her go ahead and answer.
10
          MR. BROCKWELL: And -- and
              whether this is admissible
11
12
              at trial or not is a
13
             separate issue, obviously.
             But what we've told you in
14
             a letter, LaBarron, was
15
             that, you know, we think
16
             any insurance payments are
17
             relevant at least at this
18
19
             stage for us to know if
             there's any potential
20
             offsets or credits, any
21
22
             sort of subrogation claims
23
             out there, claims for
0079
1
             reimbursement. And that's
2
             the reasons I'm asking
             these questions, to make
3
             sure it's not a possible
4
5
             insurance company down the
             road to ask my client to
6
7
             pay them back for whatever
8
             they've paid you. And
             that's why I need to know
9
10
             about these items.
        O. So you say you've received life
11
12 insurance and that you believe you have
    some documents you could give your
14 attorney on those payments; is that
15 correct?
16
        A.
              Right. And I received a

17 check from Benton Express. Q. And you understand that's my 18 19 client, ma'am, Benton Express? A Right 20 When did you receive that? 21 MR. BOONE: I'm going to object 22 to the form. Irrelevance 23 0800 of these questions, too, 1 but you can answer. I 2 think y'all -- I know y'all .3 sent it to her. 4 A. I guess within -- within two 5 6 months ago, I believe.
